SELECT CASES

- **Libfeld v Libfeld** – Counsel to the successful partner of a multi-billion dollar residential and commercial real estate developer and builder in obtaining successful order winding up and selling the partnership.
- **Crosslinx v Metrolinx** – Counsel to Crosslinx Transit Solutions Constructors in an application against Metrolinx and Ontario Infrastructure (HMQE) in relation to HMQE's failure to declare an emergency as a result of the COVID-19 pandemic. Crosslinx is a design and construction consortium established to deliver and maintain the Eglinton Crosstown LRT, the second largest Canadian transit infrastructure project. We successfully resisted a motion to stay and succeeded entirely on the application to obtain contractual relief due to the pandemic. This is notable as it may have broader implications for

other P3 Projects across the province of Ontario.

- **Re Investment Management Corporation of Ontario** – Trial counsel to IMCO in a breach of contract claim with manager of public infrastructure projects.
- **Wintercorn v Global Learning Group Inc** – Counsel to a defendant law firm in a proposed class proceeding in Ontario relating to a tax donation program alleging professional negligence.
