5-Year Retrospective: Injunctive Relief

The blog, *5-Year Retrospective: Injunctive Relief*, co-authored by Monique Jilesen and Sahar Talebi was published on commercialist.com as part of the Commercial List Year in Review: 5-Year Retrospective (2021-2025) guide. In this blog, they unpack the recent trends in Commercial List injunction jurisprudence, which demonstrate that the Court remains agile in applying injunctive remedies to address evolving commercial disputes, and that parties bringing an injunction in a commercial context should engage in a pragmatic analysis of their case, focusing on practical implications rather than getting caught up in technical classifications and labels.
