A Deep Dive into Medical Malpractice Law: The Challenges and How to Succeed

Risa Kirshblum was invited to speak on an episode of the McGill Journal of Law and Health Podcast titled, *A Deep Dive into Medical Malpractice Law: The Challenges and How to Succeed*. In the discussion, Risa shares what drew her to a practice in health litigation, the challenges of navigating what is often complex medicine, the emotional weight that often comes with these cases, and some of the skills it takes to succeed in this area of practice.
