Julia Dorfman

JULIA DORFMAN

is the Director of Human Resources at Lenczner Slaght.

Julia leads the firm's Human Resources team in skillfully planning and executing all aspects of the employee experience including talent management, leadership development, engagement, and HR operations. Collaborating across the firm, Julia designs HR strategies, programs and processes to attract, engage and develop talent - to fuel the firm's continued best-in-class performance, enable a superior employee experience, and foster an innovative and inclusive culture.

Prior to Lenczner Slaght, Julia spent almost a decade in large multinational organizations across diverse industries in the US and Canada. Successfully progressing through a variety of HR roles, Julia was recognized for driving organizational performance and business results through HR strategy and operational excellence.
