CBA Administrative Law, and Labour and Employment Law Conference

Paul-Erik Veel will present at the 2026 Canadian Bar Association Administrative Law, and Labour and Employment Law Conference, on the panel titled *Administrative Tribunals in the Age of AI: How Can 19th Century Processes and 20th Century Admin Law Adapt to 21st Century Technology*. He will cover the external and internal impacts of AI on administrative tribunals, a review of responses, and recommendations for the future.
