# Lenczner Slaght Receives Worldwide Recognition in IP Litigation

Canada's leading litigation firm continues to be recognized year-over-year for its exceptional Intellectual Property expertise.

Following an extensive qualitative research process that included peer and client feedback, Lenczner Slaght is proud to once again be ranked for its IP litigation expertise in the 2023 edition of *IAM Patent 1000: The World's Leading Patent Professionals*. The directory identifies world-class firms and individuals who are deemed outstanding in patent litigation based on their depth of expertise, market presence and quality of work.

In addition to the firm's ranking, four of our expert litigators are recognized for their in-depth knowledge and extensive trial experience in patent matters.

- Andrew Moeser
- Sana Halwani
- Jordana Sanft
- Cynthia Tape

Our expert IP team received the following praise from clients and peers:

*One of the finest litigation practices in the country, Lenczner Slaght is building an impressive team of trial lawyers in Toronto.*

*At the helm, "**Sana Halwani** is a star and an incredible leader. She is an amazing litigator and her presence in the courtroom and ability to simplify complex technology is masterful."*

***Andrew Moeser** has honed his advocacy skills to a fine point and is a creative strategist with an ability to understand the technology at hand.*

**Jordana Sanft** has a knack for winning tricky disputes. “Jordana is an incredibly talented litigator. She has a good business sense, and her arguments are clear and comprehensive.”

**Cynthia Tape** is a staple of the group and does a wonderful job of tailoring her services to fit the needs of her clients. She also shares her expertise with the next generation of lawyers by teaching a patent law course at Queen’s University.

Congratulations to all!
