Lexpert Recognizes Lenczner Slaght's™s Leading Health Sciences Expertise

The inaugural issue of Lexpert's Special Edition on Canada's Leading Health Sciences Lawyers recognizes 11 Lenczner Slaght lawyers for their extensive industry experience. The rankings are also published in the June issue of the Globe & Mail's Report on Business.

The core of Lenczner Slaght's health law practice is strong advocacy. We act for a range of healthcare organizations, professionals, foundations, and regulators in complex matters before administrative tribunals and in all levels of the courts in Ontario, including the Supreme Court of Canada. In addition to acting for the CMPA and its member physicians for almost 25 years in a variety of capacities, we also act for companies that manufacture and market medical products and devices, including in commercial disputes, product liability matters, and intellectual property disputes.

We are proud to have the following expert litigators recognized by their peers for their industry expertise:

- Paul-Erik Veel
- Sana Halwani
- Matthew B. Lerner
- Jaan Lilles
- Rebecca Jones
- Matthew Sammon
- Cynthia L. Tape
- Nina Bombier
- Mark Veneziano
- Risa Kirshblum
- Tom Curry

Congratulations to all!

About Lexpert Special Edition: Health Sciences

The rankings are compiled from Lexpert's annual peer review survey that determines Canada's leading lawyers in over 60 practice areas, plus personal interviews with senior members of the legal profession.
