

December 1, 2025

ReferToHer & LEAF Partner for 5th Consecutive Year to Advance Gender Equity

ReferToHer® is proud to once again team up with the Women's Legal Education & Action Fund's (LEAF) as their exclusive matching donor for their annual Giving Tuesday fundraiser.

On Tuesday, December 2, 2025, we will be matching up to \$17,500 of all donations made to LEAF to aid in their important work towards advancing equality for women, girls, trans, and non-binary people across Canada, and all those who experience gender discrimination.

Ruth Goba, Executive Director at LEAF, had this to say about the partnership: *"We are thrilled to have Lenczner Slaght and their ReferToHer® program as partners year-after-year for Giving Tuesday. Their support, along with many generous donors, has had a significant impact on LEAF's work in the fight for gender justice. Together, we will continue driving progress."*

Sana Halwani, Partner and Founder of ReferToHer®, adds: *"For 40 years, LEAF has driven meaningful change in advancing gender equity through landmark victories and courageous advocacy. We are honoured to support their mission, and we encourage all ReferToHer® listees and allies to donate to ensure their important work continues. We will make sure every dollar you contribute has double the impact."*

Tomorrow, help LEAF reach their \$35,000 goal by donating here!

ABOUT REFERTOHER®

ReferToHer® is a series of lists, organized by practice group, of experienced female lawyers to whom you can confidently refer work. As referrals are key to achieving business success, we hope this program ensures that female lawyers are positioned as equal, available, resources for those seeking legal help. This is a step towards ensuring that, regardless of gender, clients are referred to the right lawyers. Click here to learn more.

ABOUT LEAF

LEAF is a national charitable organization that focuses on litigation, law reform, and public education. In particular, they seek to advance gender equality by challenging laws, policies, and practices that discriminate against equality. Since 1985, LEAF has intervened in over 150 cases and inquiries that have advanced equality in Canada. Their cases have resulted in landmark

victories preventing violence against women and gender diverse people, eliminating discrimination in the workplace, allowing access to reproductive freedoms, and providing better maternity benefits, better spousal support, and the right to pay equity. [Click here to learn more.](#)
