Surviving a Breakup: Dealing with Departing (and New!) Employees, Confidential Information, and IP

Sana Halwani, Monique Jilesen, Brian Kolenda, and Sarah Millar presented at the GC Forum's Q3 event on October 3.

They led an interactive session that navigates general counsel through confidentiality and IP issues relating to departing (and new) employees who leave (or arrive) their organizations and will provide insight into how to avoid and manage the litigation that may follow.
